The regular monthly E-Board meeting was called to order at 7:30 PM by President Arun Bantval. Attendees: Arun Bantval, Sridevi Mallem, Neena Karnad, Anil Raavi, Anmol Karnad , Suhas Kamble.

Presidents Report - Arun Bantval

Installation dinner talk.

Need to start the grant work, Arun will start working with Madhavi. There are two, three grants for small amounts – Mental health Org and Govt. entity to buy some training stuff which will benefit the squad.

Roof – getting fixed in a short time.

Need to get contact details from members. Can be digitized and sent to members to update.

VP Fundraising: Neena Karnad

No updates about Installation dinner. Need help with set up. Will look for volunteers.

President needs to get the checks to pay at the installation dinner.

No virtual participants for Installation dinner. 105 people responded.

\$6,000 for dinner and pay cash for tips and gifts

Treasurer – Suhas Kamble

For tax returns – need to find a new CPA. Arun and Suhas will coordinate.

Submit the bills on time.

VP Membership – Anmol Karnad

Healthy slate of members going to EMT School. Next intro section will be on Feb 24. Expecting to get 5,6 promising adults to join.

Formed a new membership Panel. Good mix of people to represent different areas work. Will be on a rotating schedule to select new people on the board.

Corresponding Secretary: Lucy Zhu

Not present

Recording Secretary: Sridevi Mallem

Need joining dates for the adult members who joined last year to confirm their voting rights.

Anmol will update the membership to update the attendance.

For adult members who won't respond after receiving the email of absence, they will be removed and asked to reapply if interested.

Chief Report –Don Vadakan

No report, Not present

Trustees – Anil Raavi

Roof is getting fixed expected cost would be \$1800.00. Trustees will check with the repair company to confirm the life of the roof and will get an estimate. Rough estimate is \$23,000.00. National Roof contractors are hired for the job.

Arun wants to get an inspection of attic space to check for any damage / mold build up. Trustees will check for that. The contractor will do the garage check and fix as needed.

Leakage issue near the water dispenser in the pantry – will be fixed. Need to change the filter. No big puddle is noticed, small spill was noted.

Any news on the overhead door – needs to be taken care with minor work and pending payment.

Preventative maintenance on the generator – work in progress – paper work will be submitted as soon as trustees receive, there was a lot of work involved.

Special items:

Cadet President – Marc Vadakan

Sent a written report

Apologies for not being able to join the meeting today. The first thing I wanted to talk about was on new cadets coming in. The cadets have been hoping for some more cadets to join and for the application portal to be reopened. There are currently a total of 8 cadets with the addition of Vibha to the cadet group. I believe the addition of 2 more cadets, either juniors (11th grade) or sophomores (10th grade), would be a good idea seeing how one of the current cadets is going to be non-riding for an extended period of time. Getting them in now would set them up to take EMT school over summer so I think

now is the best time to bring in cadets. Please reach out to me with your thoughts.

If there are any jobs that need helping or could use extra people, please let me know so I can coordinate with the cadets and try to assign them to different roles if time permits.

Motion to adjourn the meeting was made by Suhas Kamble seconded by Arun Bantval .
