

Chiefs Report – April, 2023

Special Thanks & Recognition

- Karin and Ankit have both expressed a desire to stop riding at different points soon. I am eternally grateful for all they have done as Life Members and Leaders of our organization. This is just a heads-up—proper felicitation to follow.
- Kathy Esque for taking up the CAD Zoll integration with renewed vigor. We are close to a resolution but have yet to close.
- Congratulations to our cadets Sriram for selecting North Eastern and Sankalp on getting picked by UC Berkley.
- Bindu, thank you for working on the uniforms, and Anthony for working on the signs. Marc for technology support at various points.
- Debi and Anmol, for doing a fantastic job with the Cadet Application Campaign.

Promotions

- Congratulations, Anmol, on making EMT 1
- Congratulations to Harshit and Jegan for getting their CPR Instructor credentials.

Protocols

- 101 is back looking its best.
- 102 and 103 are in service with the day crew and us, respectively;
- 104 and 105 are in service.
- Manoj is working on updating the records in our folders placed in the truck and digitized for use on handhelds.
- We will, from now on, introduce Module One with Membership to ensure that new members proceed to join EMT school before being cleared to ride. This is in the interest of time and expediency.
- A new Youth Protection Policy will be rolled out and strictly enforced this month.
- Please sign up for Founders Day - Only eight people are signed up to date. Pot Luck is a great way to build relationships and get to know each other better. Please support Nancy as she puts this together.
- To clarify, on becoming an EMT 2, the squad will only reimburse \$200 for the EMT school cost of books. I am told some schools, especially the most popular one at East Brunswick, charge double to cover uniforms. This we are unable to cover as it is not budgeted. If this is a big issue, please get in touch with me.
- Trainees 1, 2, and Drivers, please pick up extra shifts, especially scrambles. You can use every opportunity to practice your skills. Even if you want to avoid committing, jump in if you have time and there is an opening.
- Pending
 - EMS chart integration
 - Grants - 103, Bay and Roof
 - Member list clean up;

- Squad Cards reissue to new members, and older ones need updating.
- Stand back up the door code system.
- AC Unit is not working in all areas.
