

July 2023 Chiefs Report

Special Thanks & Recognition

- Special thanks to Harshit, Kumar, and Manoj. The ATIRC training with first responders in the area.
- Thank you to all who participated in the **Day in the Bay**. The Karnads, Jegans, Abhilash, and Sridevi, thank you for helping.
- I want to highlight the need for more participation in squad events. Participation is dwindling, and there is a general sense of apathy - I want to put it out there. As a membership, we need to consider this and pull our weight.

Promotions

- Congratulations, Sunny and Anouskha, on getting accepted to medical schools in Eisteing, NYC, and Hackensack, NJ. Go well.
- Mini joins the scheduling team, taking over from her brother.
- Ishwarya and Anmol are on LOA for medical reasons.
- Sahana is taking extended LOA to pursue the same - all the best.
- Congratulations, **Vibha & Dhruv**, on being cleared to ride
- We still have **five** members to clear for riding well past the mandated period. This is concerning. Background checks are the primary reason for the holdup. For e.g., 182, 91 days, and 63 days since being voted in. 110 After submitting BC we found out the paperwork is lost; please resubmit. Dhruv pulled it off in **34 days - that is a record!**
