

Trustees' Monthly Report

Sep 2023

- **Lighting** - Bulbs in the meeting room have been replaced. **Some flickering still persistent, we will fix it.**
- **Access codes** : If you have completed the probationary period (6 months) then please reach out to Anil for the access codes . Please verify your eligibility from Line and VP Membership
- **101 Garage door inoperable - we are getting the same company who dos 102 door repairs to fix the issue**
- **Mens Room** : The issue in one of the urinals in the mens room seems to be with the flush valve. The valve seems to be broken and overflowing. We will replace it.
- **Bunk Room** - One of the bed slats seems to be broke. We will replace it.
- **HVAC System** : Trustees are working with Oxford Energy to replace the HVAC system. Oxford energy is evaluating the situation and considering the option to donate /sponsor the all or some units of HVAC.
- If the members observe any issues that relate to the building then please email trustees@plainsbororescuesquad.org to bring it to the attention of the Trustees.
- Good job members!! Please continue to maintain general good practices of cleanliness as this a shared space.
