

## VP Fundraising Report as of 12/21/2023

Prepared by Neena Karnad

- Holiday Flyer is out. Raised awareness for the need to have the vial of life. I have some requests from the donors to send them the required forms.
- Collections in December have been over 20K thus far.
- Total collections for the year have been over 150K.
- I will be handling our social media going forward. I plan on creating a committee with some cadets, and adult members. The aim is to have PR campaign for our squad along with the coverage of the events that the squad participates in.
- Preparations for Installation dinner going on in full swing!
